About Us

Sarvesh Weavers Private Limited, we innovate to delivery the best comfort to our clients which makes them have a comfortable sleep to make them dream and conqueror. We are one of the leading manufacturer and exporter of mink blankets and super soft blankets based in Karnal, India.

Sarvesh Weavers Pvt Ltd is led by a highly experienced management team with over 50 years of experience in different industry across India. We have a developed a marketing network across the country. Mink Blanket industry is a new addition to our allied business ventures. We developed a list of brands for various quality of mink blankets and all our brands are trademark registered with Government of India.

All our mink blankets are manufactured in our newly constructed state-of-the-art facility using the most advanced knitting and finishing equipment from the pioneer manufactures of the world. In addition, the entire manufacturing process is in-house, allowing us to customize orders and ensure supreme quality product delivery through total quality management practises.

Because every product is unique and made using high-quality material. Our products caters to market demand and we can meet demand for any variety of blankets for our global clients anytime.

In our constant effort to create products with sustainable products, we adopt innovative and cost effective manufacturing technique to deliver product that meets our client's expectations as well as societies ever-changing needs.

How we are Unique !!

Mink Blanket are all about touch and feel. The product comes under the luxury category due to the products attribute of having soft and smooth feel, with vibrant design and comforting warmth. Our range of mink blankets is designed at our in-house, state-of-the-art manufacturing facility. The in-house facility empowers us to choose our own designs, colours and styles and also helps us to maintain the highest product quality. The facility, equipped with the latest machinery, ensures that only the best product goes out in the market. Each product is crafted by expert craftsmen with decades of experience and is closely inspected for quality.
